Lenten Fish Fry Committee

- This task involves multiple Knight teams:
1. This program is held on the first and second Fridays of Lent each year. The calendar dates must be reserved for the Hall in each year shortly after the start of the fraternal year. The Hall reservations are done through the St. Joseph church office.
 2. The planning for the setup, food and supplies is done weeks ahead for the actual events.
 3. The documentation for each team involved is a link to a PDF file that can be printed and available to the Committee team members.
